

# our global supplier community.

We work with thousands of suppliers globally, but this elite group has been recognized as one of our top partners in North America based on these qualifying criteria related to performance metrics and volumes:

- significant volume and presence in Randstad Sourceright programs or categories
- high response and effective fill rates
- supplier strategy and program team performance and partnership ratings
- ease of engagement and contract processing

## Congratulations to the Randstad Sourceright preferred suppliers 2020
